### To the Demander:

- Save money
- Reduce investment in labour and machinery by sourcing others to do the work
- Get a quality service to suit your business, at the right price, at the right time
- No need to rely on one contractor

### To the Supplier:

- The opportunity to earn income utilising spare capacity of existing machinery
- Invoicing by TKMR office
- Collection of money by direct debit

### To All Members:

- A local network dealing with people you know
- Less paperwork - less hassle
- More efficient use of machinery and labour
- Opportunity to save money on fuel etc
